THURSDAY, 28TH JULY 2022 THE AHOY CENTRE and CUTTY SARK, GREENWICH VISIT Borthwick Street, Deptford, LONDON SE8 3JY

We are delighted to be joining the City Livery Yacht Club for a visit to The Ahoy Centre on Thursday, 28th July from 11.30am. Following a presentation by the team at The Ahoy Centre, there will be a light finger buffet lunch with a cash bar and a raffle - proceeds to be donated to The Ahoy Centre.

The Ahoy Centre's mission is to become a Flagship Learning Centre using the Thames River as a pathway to provide opportunities for the community and those at-risk, disadvantaged or with learning disabilities. Through sailing, rowing and related learning activities they aim to break down social barriers, develop essential life skills, confidence and pride. More information can be found at <https://youtu.be/vdcowKAMdWM>

“Overall, The AHOY Centre is one of the most professional and positive places I have visited in 24 years as an inspector. It serves the community and makes a real difference to the lives of many people. Apprentices get a really good experience...and AHOY are making a real difference to the lives and prospects of their apprentices...” – Keith Abbott, ex-Ofsted Inspector

Around 1400 we will walk for approximately 15-minutes down river to the Cutty Sark. At 1500 a special Afternoon Tea inspired by The Cutty Sark's famous tea trading will be served. The ship can be toured both before and after the tea until it closes at 1700.

No doubt many of you already know the *Cutty Sark*, however, since the refurbishment following the devastating fire in 2012, this visit is a wonderful opportunity to review the updated ship and enjoy tea with friends in The *Cutty Sark* Café which is located on the lower ground deck of the ship, underneath a gleaming copper hull.
